

I'm a Victim Too

(A1): I'm a nobby A-lister & a lucky dog
Castle on the Rhine & a girl in Prague
I own half the Cartier catalog
But I'm a victim too

(A2): Penthouse suite on the South Beach strand
Porsche 911, Steiner grand
Thoroughbreds, hired hands
But I'm a victim too

Chorus (B1): I'm a victim too, I'm a victim too
Got a certified case of Everything's Terrific Blues

(C): (Do-wop) Welcome to my victimhood, if not me, somebody else would
Do you find me cynical? It's lovely up here on the pinnacle

(A3): Carte blanche invitation every May in Cannes
Antique villa & a stretch of sand
Oil fields over in Kazakhstan (Uzbekistan)
But I'm a victim too

Chorus (B1): I'm a victim too, I'm a victim too
Got a certified case of Everything's Terrific Blues

(C): Welcome to my victimhood, if not me, somebody else would
Do you find me cynical? It's lovely up here on the pinnacle

(A4): I'm a pampered preppie to the manor born
Clued in to the latest unicorns
Foot-loose, cut-loose, fancy free
But I'm a victim too

Chorus (B): But I'm a victim too...

(C): Welcome to my victimhood, if not me, someone else would
Do you find me cynical? It's lovely up here on the pinnacle (2x)
